

Marlaine Verhelst:

Clothing

for your (fantasy) doll

You will learn how to dress your doll with only a few very simple patterns as for instance a T-shape pattern. The patterns and ideas don't represent a specific style but can be used for any doll.

No experience is needed for getting your doll dressed properly. How to make variations on the patterns is explained as well. And of course some tips and tricks.

It is a one lesson class with lots of pictures. It is possible to take this class as a separate class or in combination with one or more of the following classes:

- Sculpting a doll in air drying clay (kit available)
- Painting your doll with watercolor paint
- Making a body for your doll
- Hair and hats for your (fantasy) doll

In the lesson you will get ideas for materials and where to find them.
