

MARLAINE VERHELST

Fish on Wheels

This class will guide you step by step in making a fish. It will teach you not only how to work with this kind of papier mache but also valuable techniques like how to make fins. The fish showed in the class has a high flat shape but you will be encouraged to develop your own fish shape. The wheels make this fish extra special and the fish can really ride with them.

There will be an introduction and four classes included:

- cutting the shape
- working with the papier mache
- making the details
- painting the fish with acrylics

Price online class
\$ 65

A material kit is available and highly recommended.

Kit fee for 3 - 6 weeks delivery:

- \$ 69 (without tracking #)
- \$ 79 (with tracking #)
